**International Conference on Emerging Innovations and
Advanced Computing (INNOCOMP 2024)**

25-26 May 2024

Ethnic India, Rai, Sonipat (Delhi NCR), India

Publication: Xplore and CSDL

**[Click for IEEE Conference Record
Number – 63224](#)**

We are delighted to announce that International Conference on Emerging Innovations and Advanced Computing (INNOCOMP

2024), the latest installment in our esteemed conference series will be organized by Novel Research Foundation at Ethnic India, Rai, Sonipat, Delhi-NCR

It aims to provide an international platform for sharing the latest advancements in the field of Computing and Communication Technologies.

Conference URL: <https://www.iceiacomputing.com/>

Submission URL: <https://cmt3.research.microsoft.com/User/Login?ReturnUrl=%2FINNOCOMP2024>

Conference Highlights:

- Publication in Xplore
- Emphasis on cutting-edge topics such as Artificial Intelligence, Machine Learning, Blockchain, Cloud Computing, IoT, and more.
- Distinguished keynote speakers from renowned institutions.
- Platform for sharing original research and innovative ideas.
- Inclusion of Virtual Reality, Big Data Technologies, and Emerging Computing paradigms.

Important Dates:

- **Last Date of Paper Submissions: 10th March 2024**
- **Authors Notified of Final Acceptance: 05th April 2024**
- **Camera-Ready Paper Submissions and Copyright: 19th April 2024**
- **Last Date for Registration: 19th April 2024**
- **Conference Dates: 25-26 May 2024**

Conference Topics:

We invite authors to submit their original research papers in the following areas, though not limited to:

- **Advanced Computing Techniques and Algorithms**
Intelligent Systems and Machine Learning
Cybersecurity and Data Privacy

Cloud, Edge, and Fog Computing
Internet of Things (IoT) and Sensor Networks
Communication Protocols and Network Architectures
Blockchain Technology and Applications
High-Performance Computing
Wireless and Mobile Communication
Social Networks and Web Technologies

Publication:

All presented papers will undergo a rigorous review process and will be considered for inclusion in the conference proceedings. Proceedings of the conference will be submitted to Xplore and CSDL for publication.

Content will be submitted to the indexing companies like Scopus, Ei Compendex for possible indexing (Indexing services are independent organizations). Selected papers will be recommended for publication in renowned journals and indexing services.

Contact Information:

For any inquiries or assistance, please feel free to contact us:

Email: innocomp2024@gmail.com

Website: <https://www.iceiacomputing.com/>

We cordially invite you to participate in INNOCOMP 2024 and extend this invitation to your peers, colleagues, and students. Let's together contribute to the Emerging Innovations and Advanced Computing

Warm Regards,
Organizing Committee, INNOCOMP 2024
